Nelson Drive Chairman

$11,300 Fund Goal Set By Directors

The board of directors of the North Milam County United Fund Monday night adopted a $11,300 budget-goal for the 1957-58 Fund year.

Lester Williams, chairman of the budget and admissions committee, listed the following groups and charities to receive aid through the United Fund:

Girl Scouts, Boy Scouts, Salvation Army, Red Cross, Heart Fund, local charities and Cameron Library fund.

The board also re-elected Robert C. Nelson, Milam County attorney, as fund raising chairman.

Drive Set For Nov. 1

He told The Herald that the annual Fund drive will begin November 1, lasting through November 15.

Nelson said that the gifts committee was already at work and were ready to receive contributions.

The North Milam United Fund covers all of Milam County north of the Little River.

A South Milam United Fund organization has been established in Rockdale.

Williams pointed out that the Fund goal this year is $2,334 less than the 1956-57 request. His committee screened requests from various national, state and local charities based on actual need within the North Milam area.

Final Payment Next Tuesday

The final quarterly payment to Fund agencies for the 1956-57 year will be paid Tuesday, Nelson said.

The first drive last year was termed a success by Fund officials. Workers in Cameron and other north county communities met the goal last fall during the two-week drive.

In other action the directors named E. B. Yager and Frank Luecke to the board succeeding the Rev. John C. Solomon, now of Houston and Mrs. Fritz Swarting, Ben Arnold.

Rev. James Begins Supply Ministry At Cameron Church

The Rev. D. C. James has taken the pulpit at the First Presbyterian Church as permanent supply pastor.

He is filling a vacancy created when the Rev. John Solomon became minister of the Third Presbyterian Church, Houston.

Rev. James conducted services Sunday at the Cameron church.

Rev. and Mrs. James and children, Sherrie, 2, and Ned, 9 months reside in Austin where Rev. James is completing his doctorate program at the University of Texas.

He has a bachelor of divinity from Louisville Presbyterian Seminary and bachelor of arts degree from Southwestern-at-Memphis. He did work on his doctor's at the University of Cincinnati Graduate School.

Rev. James holds an assistantship in logic and ethics at the University of Texas.

Mrs. James has served as assistant dean of women at Southwestern-at-Memphis.

Milam Chickens Win Top Prizes At State Fair

Entries from the Milam County Ideal Hatchery & Poultry Farm won eight top places including first prize last week in breeding chicken and single divisions at the Texas State Fair, Dallas.

Leo Fuchs, Cameron poultryman, reported that his entries won first, seventh, eighth and 10th in the breeding chicken division.

Other top prizes included a trophy for grand champion breeding pen and a banner for reserve champion breeder hatchery display, Fuchs said.

In the single division, Ideal entries won second and third in cockerels and fourth and seventh in pullets.

Mr. Anderson, a resident of Richmond, was born in Milam County, October 2, 1892 and was raised in the Little River Community.

He is survived by four sisters; Mrs. C. W. Adams, Houston; Mrs. Joe Doucette, Houston; Mrs. J.H. Burnett, Route 2, Cameron; and Mrs. W. B. Bailey, Hearne, one brother, T. T. Anderson of Houston.

10 Milam Countians Attend SHSC Classes

HUNTSVILLE — Ten students from Milam county have enrolled at Sam Houston State College for the fall semester.

Total enrollment for the term was 3,050, an increase of 14 per cent over last year's figure. College officials predict approximately 200 more late registrants will enter during the next week. Night classes and commuters will account for the delayed increase.

Homecoming Festivities Set

Homecoming's here!

The four classes of Yoe High School will vie for top honors in float judging and class spirit. The winning class' queen candidate will be crowned tomorrow night at the Rosebud-Cameron game.

The floats will parade through downtown Cameron Friday morning and again at the game. Supt. Wiley Loughmiller will crown the YHS queen.

KEEPER PLAY — QB Bobby Elliott sets to ram into a Henderson tackler Friday night during the 27-12 contest with the passminded Lion club. A balanced Cameron ground attack overcame a 12-7 halftime deficit when the Yoemen scored two quick touchdowns in the third quarter on drives of 57 and 61 yards. Elliott completed a 60-yard pass - run play to HB Warren Rinn (No. 22 above) as Cameron won its third straight victory this year at Yoe Field.

Student Drills, Contest Cite Fire Prevention Week, Oct. 6-12

Cameron school students cited Fire Prevention Week October 6-12 with fire drills Monday and plans for a poster contest in the three public schools at Yoe Campus.

Fire Marshal John Eanes clocked the youngsters in fire drills at Ada Henderson, Yoe High and Ben Milam Schools Monday afternoon. He termed the drills "highly successful."

Elementary Principal Leon Brady told The Herald that poster contests would be held for students from the first grade through high school during the next week.

Prizes To Winners

He said that cash prizes will be awarded winners in the various classifications. The Cameron Fire Department provides the prize money.

Eanes commended Cameron school officials for their year-round program for fire prevention and safety.

Brady said the schools hold drills at least five times per year. It took 1 minute, 9 seconds for the youngsters to clear Ben Milam Monday. The other schools cleared the buildings in less than two minutes.

School officials were to announce rules for the annual fire prevention poster contest.

Contests Set Up

Brady said competition would be held among individual classes in Ben Milam, but competition probably would be open for students in Ada Henderson in a second contest and Yoe High students in a third.

Posters will be displayed in the school buildings and some downtown stores, he continued.

Winners would be awarded prizes by the Cameron Fire Dept.

Fire Prevention Week is an annual observation of fire safety precautions throughout the nation with emphasis in schools.

Milam Countian Wins Area FB Crown

Miss Mary Smith, Milam County Farm Bureau queen, has won the District 8 crown and a chance at the state Farm Bureau queen title in Dallas in November.

She won the district crown in Farm Bureau beauty competition at the Heart O' Texas Fair Sept. 30 at Waco. Miss Smith is the daughter of Mr. and Mrs. Harry Wayne Clark, San Gabriel.

A 1957 graduate of Thorndale High School, she won the Miss Rockdale contest last summer and advanced to state competition in the Miss Universe contest.

Board Records Show 3,352 On Draft Roll

Milam County Local board has 3,352 total registration, including 1,113 in class V-A, board officials announced today.

Every registrant is placed in Class V-A upon attaining the age of 26, 28 or 35, except those who are on active duty or on a work program for conscientious objectors & those who have volunteered for induction.

A young man becomes eligible for V-A classification when he becomes 26 if he has never been placed in a classification which extends liability to 28 or 35.

A young man who joined the National Guard or organized units of the reserve prior to age 18½ will be eligible for V-A classification at age 28. Those men who had most of the other I-D classifications, I-S, II-A, II-S, III-A, IV-B and IVF will not be eligible for V-A until age 35.

When a registrant is classified V-A, it does not mean that his file is placed in a "dead" file, or that he no longer has responsibilities under the Selective Service Law officials point out. V-A registrants are required to report changes of address or status just as every other Selective Service Registrant.

Once a month the local board reviews the files of each registrant who has attained the age of 26 during the month and determines whether or not he actually has extended liability. Officials said if at any time prior to the age of 26 a registrant has any one of the classifications which extend liability, he has extended liability.

Yoemen To Meet Panthers In Homecoming Tilt Here Friday

8 p. m. Kickoff To Open Renewal Of Panther - YHS Grid Rivalry

The Cameron Yoemen Friday night will renew a long-standing grid rivalry when they meet the Rosebud Panthers at the 1957 Homecoming Game at Yoe Field.

Gametime is 8 p.m.

Rosebud's Panthers are fresh from a 78-0 trouncing of undermanned Round Rock and are expected to field an upset-minded club, according to Leo Jackson, YHS grid mentor.

Cameron will be seeking its fourth consecutive homegame win this season.

Jackson reported no injuries following the 27-12 victory over the Henderson Lions here Friday. He said that several Cameron players were shaken up, but were practicing this week.

Rosebud will field a young, light starting eleven that ran roughshod over Round Rock last week. They will average 152 pounds compared to Cameron's 169, according to comparative weight figures.

Rosebud features a fast-moving pair of halfbacks in Albert Voight and Leslie Sitz who scored three touchdowns each last Friday. Sitz ran 54, 70 and 18 scoring dashes while Voight scored three times on sprints of 40 and 10 yards and 45 yards to score with an intercepted pass.

A large crowd is expected for the traditional grid battle and homecoming festivities at halftime.

Starting lineups are:

Rosebud Slaughters Round Rock Friday In 78-0 Runaway

An aroused Rosebud eleven, the Yoemen's Friday night homecoming opponents, ran wild over a hapless Round Rock club Friday to come away with a 78-0 win.

The Black Panthers unleashed the torrent of touchdowns in the second quarter with three scores, followed by 25 points in the third and 26 in the final stanza.

Round Rock fielded only 17 players at the Rosebud gridiron.

Halfbacks Leslie Sitz and Albert Voight scored three TD's each for the Panthers while Fullback John Allen scored two.

Sitz raced for 54, 70 and 18 yards in scoring jaunts while Voight went 40 and 10 for scores and ran back an intercepted pass for 45 yards and his final score.

Patillo scored on an 8-yard keeper and tossed to Kenneth Loden for another touchdown.

It was Rosebud's third win in four starts. Rosebud has a freshman and sophomore club.

1st Christian Church Boosts Attendance In Loyalty Month

The First Christian Church, Cameron, is conducting Church Loyalty Month during October, according to the Rev. Walter Grimes, church pastor.

Rev. Grimes said church members are emphasizing church attendance and increased membership.

Each Sunday the congregation will enjoy a special program, he he said. Ray Burke will present a vocal solo Layman's Sunday, October 20.

Men of the church are planning to boost attendance among men of the church Oct. 20, Rev. Grimes said.

Leech Wins Title In CC Golf Tourney

Daryl Leech defeated G. Childress, Sunday at the Cameron Country Club Golf Course 2 up at the end of 36 holes for the club championship.

The match climaxed a series of matches for the championship here.

In the consolation championship flite, Judson Womble defeated Jim Wiggs 1 up for the title.

Franklin Dusek gained the first flite title with a 1 up win over T. A. Crittendon in 19 holes. It was his second sudden death match on the way to the championship.

Dusek sank a 20-foot putt to gain the finals of the first flite. He and Andrew Esslinger played one of the longest sudden death matches in course history before Dusek sank the winning putt at the 29th hole.

In the other first flite semi-final match Crittendon defeated Bob Terry 1 up at the end of 18 holes.

In the consolation first flite, Robert C. Nelson defeated a field of eight to take the title.

Club Manager Jerry Rice said that the club will host a Scotch foursome Sunday, expecting about 60 golfers to participate.

Major Tyson Saves Plane

Story Cites Airman's Heroism

A copyrighted story in the October 12 issue of Saturday Evening Post tells the story of a Milam Countian's son who saved a four-engine C-97 transport from destruction over the Pacific.

USAF Major Samuel W. Tyson, son of Sebe Tyson, describes in "Our Ordeal Over the Pacific" how he brought his giant transport and 57 passengers safely across 1,000 miles of Pacific Ocean to Hilo in the Hawiian Islands.

Authors Story

Written by Major Tyson and Clay Blair, Jr., the story and accompanying pictures show the route Tyson took to bring his plane with one burned out motor and a damaged propeller.

Tyson was named for his uncle, Judge Samuel (Dan) Tyson, who was a county judge here for many years.

One of the engines on Tyson's plane went out when a propeller broke loose on his left wing. Through skillful flying, The Post story continues, Tyson managed to flip the loose propeller over the aircraft.

The incident occurred over the Pacific during a scheduled flight from Travis Air Force Base, California, to Honolulu.

The Post story says that Tyson was able to control the aircraft for the remaining 1,000 mile trip, detouring his course to land at Hilo, 200 miles closer than Honolulu.

Career Officer

Major Tyson is a career officer in the Air Force. He won the Distinguished Flying Cross for his action during the flight.

Tyson, 38, had changed planes prior to the fateful flight, The Post story says, because of other engine trouble.

All passengers and crewmen survived the event.

Weather Notes

Cloudy and cooler temperatures is the forecast for Cameron and vicinity with temperatures ranging in the 70's and low 80's over the weekend. No precipitation fell during the past week, the city weatherman noted.

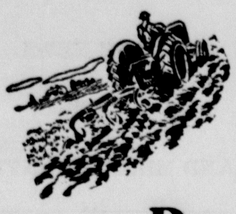
MILAM COUNTY'S



FARM SCENE

Lower Production Boosts Egg Future

COLLEGE STATION—Decreased production and the purchase of fewer replacements for next year has resulted in a brighter outlook for egg producers.

The number of chickens raised on Texas farms in 1959 is about one-fourth less than in 1916, according to John G. McHaney, extension economist. During the first six months of 1957, production of egg-type chicks from commercial hatcheries in Texas was also about one-fourth less than that during the same period last year.

Many farmers who raised chickens last year are raising none this year. The decrease is greater among the small flocks.

The laying flock on farms on January 1, 1958, in the U. S. is expected to be 6 to 8 percent smaller than a year earlier. says the specialist. During the first six onths of 1957, egg prices averaged 22 percent below the same period in 1956 and farmers bought 19 percent fewer flock replacement chicks.

Recently, egg prices have shown some improvement and will probably continue to do so into 1958, because potential layers (hens and pullets of laying age plus pullets not of laying age) on farms, August 1, 1957, were 7 percent below a year earlier and 17 percent below the average.

Egg production during the last three months of this year will probably fall below the same period in 1956, points out McHaney, and we will enter 1958 with fewer layers on farms. Because of these trends, egg prices in the last three months of 1957 will likely be above those of 1956 at the same time; and prices during the first four months of 1958 should be better than for the same period in 1957.

Crop Report

Agent Says Crop Half Complete In Milam Cotton

The Milam County cotton crop is more than 50 percent harvested, County Agent J. D. Moore estimated this week.

He urged farmers who have harvested their cotton to destroy their cotton stalks early. He pointed out that November 30 is the deadline for destroying the stalks.

Workers were back in the fields late last week, he said after steady rains had kept them out for several days. But the rains brought good moisture for fall planting.

Oats planted before the rains are growing well, he said, but farmers are cautioned to watch for army worm damage to the oats.

He advised Toxaphene-DDT at the rate of one quart per acre to control the worms.

In the small grain field, practically all the corn, maize and feed crops have been harvested.

Livestock conditions, Moore reported, are the best in several years. Cows are going into winter fat due to good grazing.

Conditions were also ideal for planting fall gardens, he concluded.

The Lilac Baptist Church of Sharp has scheduled revival services to be held each night next week starting at 7:30 p.m. Rev. Wiley Wilson of Robstown will be the guest speaker for the out door meetings on the church grounds.

Stop For Buses

The Texas Safety Association is asking motorists, this month, to remember that it is a state law to Stop when School busses are loading or unloading children. Then proceed with caution at a speed not to exceed ten miles per hour.

Over Speeds Road's Safety

"Driver lost control of car" — these are words that repeatedly appear in traffic accident reports. What this really means, says the Texas Safety Association, is that the driver was driving too fast for conditions and didn't actually have complete control of his car in the first place.

Buy It Here...

City Council action to continue a free-parking policy in Cameron on Saturday afternoons met with the approval of Cameron merchants and just about all the Milam County shoppers.

It was a step to continue a policy still being followed by the cities of Rockdale, Waco, Temple and others in the Central Texas area.

Any measure that can assist the buying public to stay at home and buy helps Cameron. It often seems that the smallest excuse will send many Milam County shoppers roaring out-of-town to buy—things they can obtain in Cameron.

Shoppers look at bargains in other towns and think they are better than ones offered here. Of course they are following the old phenomenon "that the grass is always greener on the other side."

What they fail to consider is that driving out-of-county means additional expense that must be acked on to the "savings" they get in other cities. And if their time is worth something, that too is an extra cost factor.

Shoppers can buy most anything in Cameron at a fair price comparable to prices elsewhere.

Now if shoppers can find the same shopping advantages and conveniences here, why shouldn't they visit a local store before heading for "greener pastures?"

With free Saturday afternoon parking and a good offering of merchandise, there is little need to go out of town to shop.

THE LITTLE RIVER PHILOSOPHER

Sage Unable To Help Decide What's Reckless Spending

By J. A.

Dear editar:

A friend of mine from town was out here on my farm yesterday afternoon telling me about his troubles.

According to him, he has been trying to convince his family President Eisenhower is right when he says reckless spending is helping cause inflation, and he called a family conference to go over the situation.

He claims everybody in his family agrees with him, reckless spending ought to be cut out, this inflationary spiral can't keep going up forever, President Eisenhower is absolutely right, and every family ought to pitch in and help.

But it's when he gets down to individual cases he runs into trouble.

For example, his teen-age daughter says reckless spending out to stop, but not until after she's gotten a formal evening dress, and besides, Mrs. Eisenhower wears evening dresses frequently and she knows Mr. Eisenhower doesn't include that on his list of reckless spending items.

His 10-year-old son says he's opposed to reckless spending too, but buying a football suit, with a helmet and shoulder pads, is not reckless, on the contrary, it's reckless to play without one. Claims he saw a picture of Ike's grandson wearing exactly the kind of football suit he has in mind.

His wife says reckless spending ought to be stopped, but is she doesn't get a new kitchen range, the one she's got may blow up any time.

And the man himself said if he didn't get a new set of tires on his car, further driving is gonna be mighty reckless.

He says what he wants is a list of items from President Eisenhower classifying the things that constitute reckless spending, but I told him this country is depending too much as it is on Washington and the only solution is to work things out for himself. He said he could work his problem out, if he could only find an inflationary bank that's making reckless loans.

Personally, I can't help him out myself. I've got more problems out here now than I can handle, but I've got an idea: why don't you sit down and figure out a list of all the items that constitute reckless spending and publish it in your paper?

Yours faithfully,
J. A.

Cricket Invasion Thins In Downtown

Crickets this week were heading out of the downtown area as a combined black out and cold snap hastened their migration.

Streetlights in downtown Cameron were blacked throughout the week. The pests headed for nearby residential sections and even spread more than a mile from the center of town.

Officials say that the invasion will subside as the crickets move on to warmer climates.

Weekly Scripture

THOUGHT FOR TODAY: All we like sheep have gone astray; we have turned everyone to his own way. Isa. 53:6.

PRAYER: Our Father, we are deeply grateful for the love, and care of the Good Shepherd. May the fact that we are of value to him put purpose in our existence. Help us to follow closely. For Christ's sake. Amen.

Capitol Report

Daniel Seeks Full Adoption Of '57 Plans

By Vern Sanford

Texas Press Association

AUSTIN—Gov. Price Daniel apparently is going all out to get the balance of his 1957-58 program adopted into law.

Special legislative session begins October 14.

In recent speeches over the state Daniel has plugged for lobby control and a crime commission. More talks were scheduled—one o nwater conservation in San Antonio and another in Liberty.

In addition, the governor has made some outspoken statements on federal-state relationships. Excerpts from his busy round:

Crime

Present criminal code, says the governor, "is so antiquated that it protects the convicted criminal more than it protects the public."

He asked for a state law enforcement study commission that would make recommendations to the next regular Legislature on how crime and highway accidents can be reduced.

Texas crime rate is rising faster than its population, 46 per cent of it by juveniles, said Daniel. (A recent FBI survey showed that during the first half of 1957 Texas has had an increase, up to nearly 10 per cent over 1956, in every type of major crime.)

Lobby Control

Opponents of this bill are trying "to picture it as a struggle between business and labor," said the governor.

"This is ridiculous — the bill would require registration of those employed by both labor and industry to influence legislation.

"Vast majority of Austin lobbyists are legitimate operators who identify themselves and honestly perform their work. They have nothing to fear from this bill."

Opponents of the bill, said Daniel, are "modern-day carpetbaggers who hide their identity and improper expenditures."

Federal School Aid

"Full responsibility for the operation and financing of public schools should be exercised by the states and their political subdivisions."

Governor Daniel sent a resolution to this effect to the Federal State Action Committee meeting in Chicago.

"With federal dollars comes federal controls," commented Daniel. As a single exception, Daniel favored federal aid for schools with a heavy enrollment from U. S. military installations.

Little Rock Controversy

Governor Daniel suggested that both President Eisenhower and Arkansas Gov. Orval Faubus had fumbled in handling the school integration problems there. Neither, he said, had "exhausted every means at their command" to avoid a violent showdown.

"Of course, here in Texas," said the governor, "we would have sent a couple of Texas Rangers to handle the situation."

Drivers Cause Wrecks

J. O. Musick, General Manager of the Texas Safety Association, says that "Ordinarily you can't blame your car for an accident any more than you can blace your mirror for the way you look."

"I'M GOING TO HAVE BUTTERFLIES IN MY STOMACH TOO, I SWALLOWED 3 CATERPILLARS!"

THE WORK BENCHES OF GOD

Christians are not turned out on assembly lines.

The skill and patience of many a human soul, the blueprint of Christ's own example, and the unseen but mighty craftsmanship of the Creator Himself—these over the decades bring forth a noble Christian life.

There must be understanding, guidance, faith. There must be a Christian home with sincere, loving parents. There must be prayer, the Bible, worship, thought, study. And at length practice and persistence must win many a victory over self before the world begins to recognize the hand of God in the life of a man.

Nearby in the church you will choose, there are busy hands at the work benches of God.

And room for more—your child's and your own!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Attend The Church of Your Choice

Hazel Mae Warren, Richard Fahey Wed

Miss Hazel Mae Warren became the bride of Richard A. Fahey Saturday morning at St. Monica's Catholic Church before a background of large bronze mums.

Miss Warren is the daughter of Mr. and Mrs. L. T. Warren and the bridegroom is the son of Mr. and Mrs. Paul A. Fahey of Galveston.

The Rev. George Duda officiated during the pledging of vows and the Rev. Alfred Kallus celebrated nuptual mass.

Catherine Marie Mikula was the organist and accompanied Mrs. Marie Matthews as she sang the selections "Panis Angelicus" and "Oh Lord I Am Not Worthy".

Chantilly Lace Gown

Given in marriage by her father, the bride wore a gown of Chantilly lace over slipper satin with a Sabrina neckline. The yoke was embroidered with seed pearls and sequins. A wide satin panel extended down the front and back of the tulle skirt and was edged in hand clipped Chantilly lace leading into a court train. She wore a pearl necklace, a gift of the groom and carried a bouquet of showered feathered carnations and valley lillys centered with white orchids.

Her veil of imported bridal illusion was caught into a tiara of seed pearls and sequins.

Mrs. William J. Jones, Jr., of Texas City, sister of the groom, attended the bride as matron of honor. The bride's sister, Miss Shirley Warren, was maid of honor. The attendants were dressed identically in formal length coral crystallette over taffeta dresses with fitted bodice, rounded necklines and full skirts. Wide french pink velvet cumberbunds with large sashs extended to the hemline in back. They wore hats of french pink velvet and pink pearls with over-the-face veils sprinkled with seed pearls, and carried cascade bouquets of bronze mums.

Brothers Attend Groom

Attending his brother as best man was Edward P. Fahey of San Antonio. Robert J. Fahey, Galveston, also a brother of the groom, was groomsman. Ushers were William J. Jones, Jr., Texas City and Fred J. Birk, Jr., of Taylor.

The bride's mother chose a navy afternoon dress with navy accessories for her daughters wedding. She wore a pink carnation corsage. The groom's mother wore a dress of beige lace over taffeta with brown accessories. She also wore a pink carnation crosage.

Reception Follows

Baskets of large bronze mums flanked the bridal table for the reception at Simon George Memorial Hall.

The bride's table, covered with a white linen cloth, was centered with an arrangemeat of Bronze mums. The three tiered cake topped with a miniature bride and groom was served by Mrs. Jimmy Price. Mrs. Pete Kunz attended the punch service. They were assisted by Mrs. Bill Hoboday.

Mrs. Richard A. Fahey

Miss Veronica Michalka was in charge of the guest book.

For the wedding trip the bride chose a suit of aqua wool tweed with brown accessories. She wore an orchid corsage.

The bride, a 1950 graduate of Yoe High School, attended business college in Waco and has been employed as a secretary at Aluminum Company of America for the past 5 years. Mr. Fahey attended St. Edwards University in Austin and is a 1951 graduate of the University of Texas. He is a buyer for Aluminum Company of America.

The couple will be at home in Pittsburgh, Pennsylvania, after October 23rd.

Colburn-Hendee Wedding Party Members Named

Miss Jimmye Rae Colburn and Mr. Percy J. Hendee, Jr., who will be married October 19th in the First Baptist Church, have announced the members of their wedding party.

Miss Ann Knipp will serve as maid of honor. Bridesmaids will be Miss Rita Reid, Miss Andrea Smith, Dallas and Miss Martha Fischer of Temple.

Don Lee Wells of Houston will serve as best man. Groomsmen named are Roy Cook, Tyler, Burt Ansel, Jr. and Robert Neil Rich of Richmond.

Ushers will be Raymond Scott Dyer, Lake Charles, Louisiana, Grover C. McCullin, Jeff Burkes.

Gift Tea Honors Miss Rita Hill Sunday Evening

Miss Rita Hill, bride-elect of Ernest Fischer, was honored Sunday afternoon with a gift tea at the Hope Lutheran Educational building in Buckholts.

Hostesses for the tea were Mrs. Alvin Fuchs, Mrs. Ardell Lang, Mrs. Hugo Fuchs, Mrs. I. J. Baca and Mrs. W. H. Lang.

Receiving with the honoree were her mother, Mrs. C. L. Hill of Bartlett and the grooms mother, Mrs. A. A. Fischer.

Silver and china appointments were used in the dining room. The table, laid with a white net cloth and blue taffeta underlay, was centered with an arrangement of magnolia blossoms and leaves to which were attached wide blue satin streamers with the lettering "Rita and Ernest — October 26th".

Mrs. James Hill, sister-in-law of the bride-elect and Miss Darlene Fischer, sister of the groom, alternated at the guest register.

Miss Martha Fischer of Temple and Miss Bernice Fischer presided at the punch service. Miss Shirley Jungmann displayed the gifts.

Early Twilight Calls For Caution: Musick

AUSTIN—Early twilight calls for drivers to ease-up on speed and use extra caution.

"Motorists must be aware of the fact that dusk can be deadly, and drive accordingly," J. O. Musick, general manager of the Texas Safety Association, said today. He was speaking in behalf of the safety-after-dark program sponsored by TSA during October.

"There is no doubt about it, many future traffic accident victims are walking and riding on the streets right now. Victims who will be struck down after dark," Musick said. "I'm talking about the careless pedestrians and motorists—the ones who do not realize that from 5 p.m. to 8 p.m. are particularly dangerous hours. That is when people are rushing home from work, tired, fretful, impatient and inconsiderate. And,when visibility is especially poor."

Musick stressed that it is important for pedestrians and motorists to look out for each other. He emphasized that this could be made easier if they would "light up" at night.

"Darkness reduces visibility, and it is important that the pedestrian be easily seen. It is a good idea for night walkers to wear white or light colored clothing and carry a flishlight if possible," Music said.

"Of course the idea of being seen also applies to the drivers. They should make it a point to turn on their headlights at the first hint of dusk. Parking lights won't do, because they make the distance of the car too easy to misjudge by others."

Musick also stressed that motorists should have their lights checked regularly to make sure they are in good condition. And each driver should take it upon himself to be the first to "dim" when another vehicle approaches.

Mrs. Pond Hosts Garden Club

"Ordinary household tasks can be beauty exercises if done properly" Mrs. A. H. Patzke told the Home and Garden Club of Jones Prairie when they held their regular meeting October 1st in the home of Mrs. Jack Pond.

Mrs. Pond discussed the value of relaxation and proper diet to maintain good health. Mrs. Patzke and Mrs. Pond were introduced by Mrs. S. S. Hickman who was in charge of the program.

The hostess decorated party rooms with colorful autumn flowers and greenery.

Refreshments of angel food cake, cheese sticks, olives and punch were served to 12 members and two guests, Mrs. Alice Cox and Mrs. Della Weise.

Home-Makers Class Elects New Officers

The Home-Makers Class of the First Baptist church met in the Educational building at the church for their monthly business meeting last Tuesday.

Mrs. John Hause presided at the meeting and Mrs. H. C. Tindall gave the devotional. Class secretary, Mrs. J. D. Fikes, presented the class report for the church year.

New officers elected during the meeting are Mrs. S. M. Harold, president, Mrs. John Ryan, vice president, Mrs. J. D. Fikes, secretary, Mrs. H. C. Tindall, assistant secretary, Miss Cora Aiksman, treasurer, and Mrs. C. E. Curtis, teacher.

Following the business meeting a social hour and covered dish luncheon was enjoyed by fourteen members.

8,000 School Buses

J. O. Musick, General Manager of the Texas Safety Association says, "There are approximately 8,000 school busses in Texas. These buses make thousands of stops each day. If you overtake or meet a school bus that is loading or unloading passengers, the Texas law requires that you come to a complete stop.

Egg prices have shown some improvement recently and will probably continue to do so on into 1958 because of the purchase of fewer laying replacements for next year. The decrease is greater in small flocks.

Film To Show Mille Miglia At Simon-George

The first local public showing of a color-sound movie of the 1957 Mille Miglia Road Race is scheduled for Simon & George Hall 7:30 p.m. Monday, October 21.

This 24th annual running of the Mille Miglia produced a number of spectacular news stories recently because of the deaths of the Marquis De Portago, his co-pilot, and 10 spectators in a single accident. A fatal skid on wet pavement caused the death of a Dutch driver, bringing the total death toll to 13.

Spectators at a race of this type can see only a small portion of the race. Through the eye of the camera, viewers of this film can see the entire 1000-mile race from start to finish.

Admission will be free, but due to limited seating capacity, it will be necessary to have an invitation. These may be obtained from one of the co-sponsoring garages, service stations, or new car dealers who are making the local showing possible. A list of sponsoring dealers will appear in next week's Herald.

Mr. and Mrs. Harrison, Wanda, and Billy Jack, Mr. and Mrs. Hubert Skala and son, Lillie Skala, and Mr. and Mrs. Jimmy Harrison of Rosebud, spent last Sunday with Mr. and Mrs. John Sortor of Mt. Calm.

Mr. and Mrs. Otto Mayer and family visited Mrs. Mayers brother and family, Mr. and Mrs. Leon Kleypas, of Buckholts Sunday.

Onez Dodd and Wanda Harrison have been ill with the flu this week and were absent from school several days.

Mr. and Mrs. Otto Schulz were overnight guests of their son and daughter-in-law, Mr. and Mrs. Otto Schulz, Jr., of Temple recently.

The Good Neighbor Club has again been postponed and will meet Tuesday, October 15th, instead of October 8th as originally planned. Mrs. George Dodd, Mrs. Charlie Vitek, and Mrs. O. S. Collins will be hostesses.

Health Unit Reports 5 Asian Flu Cases, Rockdale Outbreak

Five Asian flu cases were reported this week in an outbreak of flu in Milam County, according to the county health unit.

A total of 230 cases of influenza have been counted in the Rockdale schools, Dr. John B. Bryson, health unit director, said today.

Twelve other cases of flu were counted in the county to bring the total to 247 cases of flu of all types.

Other reportable diseases during the past week were: mumps 2, and strept throat 10.

Yoemen Defeat Henderson 27-12

Carnett's Passing Dazzles YHS For 2 Scores Before Halftime

The Cameron Yoemen exploded for two touchdowns early in the third quarter Friday night to overcome a pass-minded Henderson eleven, 27-12, after trailing at the half, 12-7.

It was Cameron's third straight win at Yoe Field this fall.

Cameron's running game gathered quick momentum after the half-way mark as QB Bobby Elliott marshalled the Yoemen to paydirt in drives of 57 and 61 yards.

HB Hubert Marek sped 20 yards for Cameron's second TD and Guy Dillon plunged for the third to give the Yoemen a 20-12 lead.

In the first half Henderson's Carnett dazzled Cameron's pass defenses with eight completions for 204 yards and two touchdowns. He ran 34 pass plays from scrimmage during the game.

Leo Jackson's Yoemen had plenty of trouble with Carnett's throws until the second half when they hauled in four interceptions.

1,500 Fans Present

A crowd of about 1,500 fans saw the two clubs meet for the first time in either school's history at Yoe Field. A scheduled game with Marlin had been cancelled Tuesday when school officials there said flu had stricken many of Marlin's first team.

Triple-A Henderson agreed to the match with Cameron by telephone Wednesday afternoon. Neither team had time to exchange movies or scouting information.

But Cameron found its vaunted ground game in the third quarter to overwhelm the lighter Lion club.

All four of Cameron's starting backfield shared the limelight with Marek scoring one TD. Rinn one on a 60-yard toss from Elliott who kept for another TD, and one for Dillon on a plunge.

Dillon was the leading ground gainer for the evening with 89 yards while Elliott gained 68 and Marek 63.

Elliott stepped into the Yoe pass defense in the second half to haul in two Carnett passes to help stop Henderson passing drives. Dillon and Rinn also intercepted Henderson throws.

Carnett completed only two passes in the second half for 15 yards.

Rinn Intercepts

Warren Rinn stopped the first Henderson drive before it started following the kickoff on an interception at his own 49.

He gained 2, then Marek 4 before Elliott turned left end for 9 and a first down. Rinn zipped for 1, but Marek fumbled on the next play, Henderson recovering.

Henderson's Carnett hit LE Hodges for 39 yards and a first on the Cameron 39. Another Carnett-Hodges toss left was good for 10 more. And Henderson's Daniels hauled in an 8-yarder to the Cameron 21.

Smith plunged for the first to Cameron's 19 followed by a Carnett - Hodges pass good for 5 more. Carnett kept for the first, but Cameron tightened their defense to take the ball on their own 10.

Rinn-Elliott Combine

Rinn and Elliott combined for 20 in three plays to the Cameron 26. Elliott gained one, then Rinn went to the 40 around left end. With First and 5, Elliott uncorked a 25-yard heave down the middle to Rinn who raced for the goal, 25 yards away. Dillon's plunge was good. Cameron 7, Henderson 0.

After the kickoff, again found Hodges open and the husky Lion end went 41 yards before being stopped on Cameron's 25. A 15-yard penalty put the ball on the Yoemen's 10.

The Yoe forward wall withstood three plunges and Elliott battled away a Carnett pass to stop Henderson on the 5.

Three Cameron plays gained only 4, forcing Green's kick to Henderson at the Cameron 47. Cameron's defense, two Carnett incompletions caused Carnett to kick to Cameron's 11.

Three plays netted the Yoemen 8 until a 15-yard penalty set them back to the 2. On the next play Dillon fumbled on his 3, Henderson recovering.

Carnett and McCracken cracked for 4, Carnett was stopped by Tepera. Then Carnett flipped high to Hodges just across the goal. The kick was short. Cameron 7, Henderson 6.

A screen pass to Dillon netted 1 after the kickoff was returned to Cameron's 45. Henderson's Jackson picked off the next Elliott pass to give the Lions the ball on his 48.

Carnett to McCracken

Carnett connected with McCracken for a 42-yard pass-run play on the next down. But a Henderson clipping penalty and the Yoe line combined to stop the threat with Cameron taking the ball on their own 30.

Elliott hit Rinn on the next play for 10 yards and a first. Then the senior quarterback kept for 11 and another first. Rinn and Dillon combined for a third. The drive halted when an Elliott pass was hauled in by Henderson's Daniels.

Two Carnett passes were incomplete before a third-down pass good for 58 yards to McCracken set the Lion halfback loose on a 40-yard run to the Yoe goal. The kick was wide. Henderson 12, Cameron 7.

The play came 29 seconds before the half.

Cameron burst out in six plays after the second-half kickoff to move ahead to stay. Elliott got 3, then Marek 15 for a first on the Henderson 34. Dillon plunged twice for 13 and a first. Rinn broke for 2. Then Marek hit over guard, cut back left and scored standing up from his 20. Elliott's dive was good. Cameron 14, Henderson 12.

Carnett took the next kickoff, but was forced to kick on fourth after two passes fell incomplete.

Dillon Scores

Nine more plays netted the Yoemen their third TD, Dillon plunging for the score. Marek, Dillon and Elliott combined for three first downs, starting from the Henderson 39. An Elliott dive was short. Cameron 20, Henderson 12.

Henderson took the YHS kickoff. One Carnett pass was good for 4 to Daniels, but Cameron forced Henderson to kick.

Marek gained 3 from the Cameron 18 before Dillon fumbled to Henderson on his 25.

But he stopped a potential Lion threat by intercepting a Carnett pass on fourth down, running it back 25 yards to his 41.

Cameron backs measured out three more first downs to the Lion 35 before the attack sputtered, Green kicking to Henderson's 15.

Carnett connected his last pass for 11 yards to Hodges. He ran left for 1, threw two incompletions and kicked short to his 35.

Dillon and Elliott combined for a first to the Henderson 22. Dillon got 1, Marek 3, Elliott 4. Dillon got the first on fourth down.

The senior fullback crashed for 10 and 2 after a YHS five-yard penalty, Elliott getting the first on a keeper.

Elliott Scores Final TD

Elliott stepped over from the 1 for the final Yoeman score. Josey's kick was good. Cameron 27, Henderson 12.

Henderson took the kickoff, but lost the ball when Rinn picked off a Carnett pass to the Lion 28.

Cameron reserves ran the ball three plays before a fumble gave possession to Henderson.

An Elliott interception on the last play returned possession to Cameron. Dodson kept for 2. Then Josey almost broke away on a 19-yard sprint to his 49.

Time ran out with Mraz gaining 5 to the Henderson 46.

END OF THE LINE—An unidentified Henderson tackler catches HB Warren Rinn during the third quarter Friday night at Yoe Field. Rinn, Guy Dillon, Hubert Marek and Bobby Elliott shared scoring honors with one score each in the 27-12 win. Strong second-half pass defense and a charging Yoeman line stopped Henderson's wide-open passing game that netted 204 yards and two touchdowns during the first half.

Cameron's forward wall held Henderson backs to 33 yards, tossing them for several long losses, including QB Carnett who was trapped behind the line four times.

Green, Hillman, Tepera, Fontaine and Marek were among Cameron's defensive standouts.

Cameron gained 277 yards on the ground and 71 by passing.

3 Teams Share League's Lead

The McDonald Plumbing lady bowlers shared the lead with the New Cameron Drug and Falstaff after scoring a 1665 high series and high games of 599 and 579 in league play last week.

Falstaff bowlers rolled a 1564 series and Vaculin Service a 1521.

Second and third high team games were National Hall's 544 and Falstaff's 536.

High individual series went to Lillie Junek with 187, Ethel Crider 179 and Muriel Masopust 178.
